YOUR NEWSPAPER BRINGS A MESSAGE

Twenty centuries ago a guiding star... a star of hope
promising much to expectant mankind... led three Wise Men
to a lowly stable in the little town of Bethlehem.

Twenty centuries, and today, as a world pauses, humble and
shot with a glowing spirit of happiness, your newspaper comes
to you asking that it may continue in its chosen course...
tireless and unfailing service to you and your community.

It is our wish that this newspaper, dedicated to the provision
of news, leadership, education, and the sponsorship of moral
and civic idealism, be permitted to carry into your homes,
not for this one time only, but for an entire lifetime, this same
spirit of unselfish service to all.

We consider Christmas an institution successfully serving an
inner need, an institution based on old, well founded precepts,
as well adapted to the needs of today as it was twenty centuries
ago, an institution capable of fulfilling an age-old requirement
... that of joy to mankind.

It is our hope that from this day you will gain the full measure
of joy. Merry Christmas!

Mrs. Gehring Dies In Florida

Mrs. Marian True Gehring, widow
of the late Dr. J. G. Gehring of Be-
thel, Maine, passed away at the
winter home of her son, Dr. G. B.
Gehring, at Miami Beach, Fla.,
on Saturday afternoon, at the age
of 87.

Mrs. Gehring was the daughter of
the late Nathaniel T. True and Mrs.
Suzanna Stevens True. Born at
Bethel, Maine, and educated by her
father. The Beloved Teacher, at
Gould Academy, she graduated from
Bradford Academy, the then lead-
ing institution for the education of
young people in Massachusetts,
and went to Boston to study music.

In 1879 she married Mr. George
B. Gehring, of Boston, a retired
Civil Engineer and made her home
in Boston until his death in 1886.
She then returned to Bethel, and
in 1888 married Dr. John G.
Gehring of Cleveland, Ohio. For the
next 40 years she made possible by
her brilliant gifts the background
against which Dr. Gehring built up
his life work as a psychiatrist in
the treatment of nervous and men-
tal disorders, until Dr. Gehring
retired from active practice. For
the next 10 years Dr. and Mrs.
Gehring spent their winters in Cali-
fornia and Florida until his death
in 1927. Thereafter, Mrs. Gehring
made her winter home with her son
in Florida.

Devoted to education and the cul-
tural advancement of young people,
Mrs. Gehring's influence was felt
far and wide during her long resi-
dence in Maine. Gould Academy, as
it stands today, is the result of
many years of effort on her part to

BOY INJURED IN COLLISION OF SLED AND CAR

While sliding on the Main Street
sidewalk about 7 o'clock Wednesday
evening, Herman Robertson, Jr.,
nine year old son of Mrs. Sadie
Robertson, collided with a car
driven by Parker Connor, a Mr.
Connor turned from Main Street
onto Elm Street. The boy was not
hurt but was taken to the
Bethel Hospital for treatment of
a broken leg below the knee
and severe head bruise. He was
taken to the Bethel Community
Hospital by Mr. Connor but in ex-
pect to be taken to his home to-
morrow.

Sliding Place Needed

The accident which occurred Wed-
nesday evening of a child sliding place
on children. The safest and best
place in the village appears to
be the slope on High Street. In
recent years since the coming of
winter use of automobiles and ex-
tension of Elm Street to Main
Street, dangerous intersection
has created in this hill. Last year
a sign was placed at that point to
caution drivers but objection was
raised against closing upper Elm
Street. Although the street was
narrow for such traffic as was
needed on High Street the street
was closed Monday and children
have been responsible there since.

Prohibition of sliding is neither
feasible nor desirable, but it can
be regulated. It is not expecting
any such thing that upper Elm
Street be closed and sand kept
off High Street. If enough people
with this in mind.

14 years.

son married W. B. Cook, who at one
time was a patient in the Bethel

Maine Club Women to Advise Legislature

Women's clubs throughout the state, organizations who have representatives on the Maine Women's Legislative Council, are this week busy considering possible tax programs for the support of the school finance bill to be presented for action by the incoming Legislature.

At a meeting of the Council at the State House, Augusta, last week, the Education bill was endorsed unanimously and it was then decided that the club women of the state would undertake to inform the Legislature as to what appeared to them the best possible way to raise the necessary \$1,500,000.

The announcement of Mrs. Noel Little of Brunswick, chairman of the Council and representative of that body of the Maine Congress of Parents and Teachers, that the P. T. A. would support a program comparable to that recently announced by the State League was taken as a possible indication of the trend to be expected in the tax programs to be considered.

Membership in the Women's Legislative Council includes all women's organizations doing state or national work in Maine. Among them are the Business and Professional Women's Club of Maine, the Maine Federation of Women's Clubs, the Young Women's Christian Association, the Maine Public Health Association, the Maine Congress of Parents and Teachers and others.

The State League program with which the P. T. A. at least is in accordance includes both income and non-residence taxes.

At the meeting Mrs. Little told the Council that one of the major reasons the education bill presented to the last Legislature failed of passage was that its sponsors this year the Friends of Education with Mrs. Haven Sawyer of Bangor as chairman "didn't have a revenue-raising measure ready to present when the members of the Legislature were preparing to go home without solving the school problem."

She pointed out that many people who get all their money from outside sources and who don't have to pay more than half a cent.

She again mentioned the citizens' league proposed in 1935 to raise \$1,500,000 to 1938 to 1940 to 1942 to 1944 to 1946 to 1948 to 1950 to 1952 to 1954 to 1956 to 1958 to 1960 to 1962 to 1964 to 1966
